

## Audubon's COVID-19 Code of Conduct

### Baltimore Birding Weekend 2020

Program participants must

- Wear masks that cover the nose and mouth.
- Adhere to safe social distancing standards during field trips.
- Stay home if you have any symptoms of COVID-19, have had any in the past 14 days, or have had contact with anyone who has.
- Register online in advance of the program (due to group size limits).
- We encourage participants to bring their own hand sanitizer, mask, and/or wipes for use during Audubon programs.
- Not share optics or other equipment. There will be no shared views through spotting scopes and no loaner binoculars.
- Not carpool between birding tour sites with others not living in their household.

Audubon staff and volunteers will

- Wear masks that cover the nose and mouth.
- Establish and enforce safe social distancing standards during field trips.
- Limit group sizes in accordance with current COVID-19 restrictions.
- Allow only those who have registered in advance to join the program.
- Sanitize surfaces as appropriate.
- Offer extra masks and hand sanitizer to the extent possible.
- Not provide loaner binoculars or spotting scopes to prevent sharing equipment.

**\*\*If you are not able to follow these rules, the group leader will ask you to leave.\*\***
