For the safety of your group and the preservation of the Cemetery, please review the following information with your group prior to your visit.

Green Mount Cemetery is a place of national significance. Please help us maintain its beauty and dignity by observing the following rules of etiquette:

1. Parking is permitted along the sides of all roadways.
2. Please drive carefully. Speeds should not exceed 15 mph.
3. We ask that groups wishing to visit the Cemetery schedule their visit at least two weeks in advance.
4. Buses may park on the apron in front of the Entrance Gate, but are not permitted inside the Cemetery.
- 5. Please do not touch or lean on gravestones. Due to age of gravestones toppling is a possible hazard.**
6. Show respect for the dead and for their surviving families and loved ones. Do not intrude on funeral services. Do not bring alcohol, firearms, or entertainment items into the Cemetery. Always be considerate of others.
7. Well behaved children under the direct supervision of responsible adults are welcome. Running, playing, and noisy activities are not appropriate.
8. Pets are not permitted.
9. Please do not litter.
10. Photographs can be taken but they are not to be published commercially. Photographing funerals is prohibited.
11. Filming or other audio-visual recordings are prohibited.
- 12. Please plan your visit so that you can exit the Cemetery no later than 3:45 PM.**
